**"MARRIAGE...
AGAINST ALL ODDS"**

Join us on June 14, 2018 for a dinner cruise aboard the Nautica Queen with scenic views of the Cleveland shoreline. Come with other couples to enjoy a delicious buffet dinner and hear the incredible true story of Mark Whitacre -- with his wife Ginger for "the rest of the story".

Mark Whitacre is an Ivy League Ph.D. and is considered the highest ranked executive of any Fortune 500 company to become a whistle-blower in U.S. history. Through the insistence of his wife Ginger, he was responsible for uncovering the ADM price-fixing scandal in the early 1990's. His undercover work with the FBI during the scandal was the inspiration for the 2009 movie "The Informant", starring Matt Damon as Mark Whitacre.

In a turn of events, the ADM case landed Mark in federal prison for fraud and tax evasion for over 8 years. In light of staggering divorce rates of 99% for inmates serving over 5 years in prison, the Whitacre's will celebrate 39 years of marriage this summer.

Join Mark & Ginger Whitacre with other NE Ohio couples to hear a story of hope, second chances, and sacrificial love which helped them overcome adversity—against all odds.
