## **"MARRIAGE... AGAINST ALL ODDS"**

Join us on June 14, 2018, for a couple's dinner cruise on the Nautica Queen with scenic views of the Cleveland shoreline and hear the incredible true story of Mark and Ginger Whitacre.

Mark Whitacre is an Ivy League Ph.D. and is considered the highest-ranked executive of any Fortune 500 company to become a whistleblower in U.S. history. Through the insistence of his wife Ginger, was responsible for uncovering the ADM price-fixing scandal in the early 1990s. His undercover work with the FBI during the ADM scandal was the inspiration for the 2009 major motion picture, "The Informant," starring Matt Damon as Mark Whitacre.

Eventually the ADM case landed Mark in federal prison for fraud and tax evasion for over 8 years. In light of staggering divorce rates of 99% for inmates serving over 5 years in prison, it is indeed a miracle that Mark and Ginger celebrated their 38th anniversary last summer. Join us with Mark and Ginger as they share the "rest of their story." A story of hope, second chances, extreme love and an example of how a family's strong faith helped them overcome adversity — against all odds.
